Dear Ms. Johnson:

The national panel of judges for the 2008 Better Business Bureau International Torch Awards for Marketplace Excellence competition met recently and selected from an outstanding field of candidates two winners and three finalists. We are pleased to inform you that Rainbow Station is one of the finalists. Congratulations!

Rainbow Station and the other four finalists that made it to the final round of the competition received recognition as finalists in a press release that was distributed on January 31. The two winning companies will not be publicly identified until after February 18, 2008.

We hope you will be able to join us as we celebrate the winners of the 2008 International Torch Awards on April 8, 2008 at the National Press Club in Washington, DC. This year's event will bring together a diverse audience of key thought leaders from the business, non-profit, government and media worlds, all sharing a keen interest in, and understanding of the need for advancing trust in today's marketplace.

Again, please accept my congratulations on Rainbow Station's selection as a finalist in the 2008 BBB International Torch Award for Marketplace Excellence and for its outstanding commitment to ethical business practices.

We will follow-up soon to confirm your attendance. If you have questions, please feel free to contact Sheila Adkins at 703-247-9312 or e-mail Sheila at [sadkins@council.bbb.org](mailto:sadkins@council.bbb.org).

Sincerely,

Stephen A. Cox
