

**Rainbow Station at the Boulders, Rainbow Station at Hanover Medical Park and Rainbow Station at Three Chopt** have become certified in **baby sign language**. Rainbow Station is a private school system serving newborns and children up to age 14. It offers extended day nursery school, preschool, pre-K and kindergarten programming as well as before- and after-school care and summer camps. The schools teach baby sign language to the enrolled children who are younger than 2.
